Forecast For Wales
Issued by Met Office Exeter
at 0400 on Saturday 21 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Heavy rain followed by torrential thundery showers.

Today:
Heavy rain clearing through the morning, clearing the northeast of the country by mid-afternoon. Heavy showers will follow on from this, locally torrential and thundery, with hail possible. Feeling humid with light winds. Maximum temperature 20 deg C (68 deg F).

Tonight:
Heavy and thundery showers will clear eastwards through the evening, only slowly decaying. A dry night then follows with variable cloud and some clear spells. Feeling muggy. Minimum temperature 14 deg C (57 deg F).

Sunday:
A much drier day on Sunday. There will still be a scattering of light showers, but these will clear through the afternoon leaving sunny spells. Feeling warm in the sunshine. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
A dry and settled spell of weather to start next week with sunny spells. Feeling warm in the sunshine. Mainly dry, but the chance of an isolated light shower.
